

SLIP TRANSFER REQUEST

TODAY'S DATE: _____

TO: HARBOR MASTER
KEWALO HARBOR

Pursuant to rule §15-212-44, I understand that I have priority on this transfer only if the slip requested is in the same category and has the same characteristics. If transferring to a slip in a different category and with a waiting list, they will be given first priority, unless I pay the higher moorage rate.

§15-212-44 Priority and procedures in allocation of berths. (a) An unassigned berth (a berth that is not assigned to a permittee by a regular mooring permit) shall first be offered to the senior applicant holding a regular mooring permit authorizing the applicant to moor in the harbor who has applied for movement to another berth, provided that the vacant berth is of the same characteristics, category or type as the berth currently allocated to the applicant.
