Thanksgiving

As Thanksgiving approaches, we want to take a moment to share our gratitude for everyone who makes Kewalo Harbor the vibrant, close-knit community it is today. This season, we're reflecting on what makes our harbor truly special: not just the boats or the scenic views, but the people—our members, visitors, and the dedicated crew who bring warmth and life to our docks every day.

To the sailors, fishermen, families, and friends who fill our harbor with energy and camaraderie, we are deeply grateful. Your shared respect for the ocean, one another, and this beautiful place is the heart of Kewalo. Thank you for being a vital part of our community and for helping us protect and cherish this unique space.

Whether you're setting sail, enjoying the harbor, or celebrating Thanksgiving on the water, know that you are truly appreciated. From all of us at the Harbor Master's Office, we wish you and your loved ones a warm, joyful Thanksgiving. Thank you for being part of our harbor family!
